

How do you Calculate the Return on Investment for AI?

We want to learn from you!

Our design and research team want to learn as much as you can to inform how we make our products truly a world class experience

INSTRUCTIONS

How to use the sticky notes?

1. Tell us about yourself - job role, industry, stage of AI investment
2. Add stickies to respond to the questions
3. Feel free to respond to any other sticky notes from other members of the community - we are all about helping one another and growing stronger together
