

Journey of AI Transformation

We want to learn from you!

Our design and research team want to learn as much as we can to inform how we make our products truly a world class experience

INSTRUCTIONS

How to use the sticky notes?

1. Choose the color of sticky based on the stage of adoption you are currently in:

2. Please add following in your stickies:

- Job role
- Industry
- Your response to the question in each box
- Does the AI journey above resonate? Why or why not?

3. Use as many stickies you need for each response. Stack them on top of each other and please stick with the right color stickies so we can identify your adoption stage.
